Sharps Electrical | Vertical Transportation Overview

INTRODUCTION | Botswana's Trusted Partner in Vertical Transportation

Sharps Electrical is the proud in-country partner for KONE and Cibes, bringing globally recognized vertical mobility solutions to Botswana. With a proven track record of installations across the country—including projects for Gallo Mall, Zambezi Towers, the Ministry of Health, and the Civil Aviation Authority of Botswana (CAAB) and the Private Sector to name a few — we continue to deliver excellence in vertical transportation.

Our portfolio includes both elevators and escalators, renowned for their reliability and performance in high-traffic environments. These systems are trusted across the global retail sector and have demonstrated exceptional durability throughout Southern Africa.

- Our KONE solutions are tailored for commercial and industrial applications, offering advanced technology and robust performance for complex infrastructure.
- Our Cibes range is ideally suited for residential and light industrial settings, providing space-efficient, user-friendly lift systems that enhance accessibility and comfort.

At Sharps Electrical, we don't just install vertical transport—we elevate experiences, enhance mobility, and support

OUR MISSION

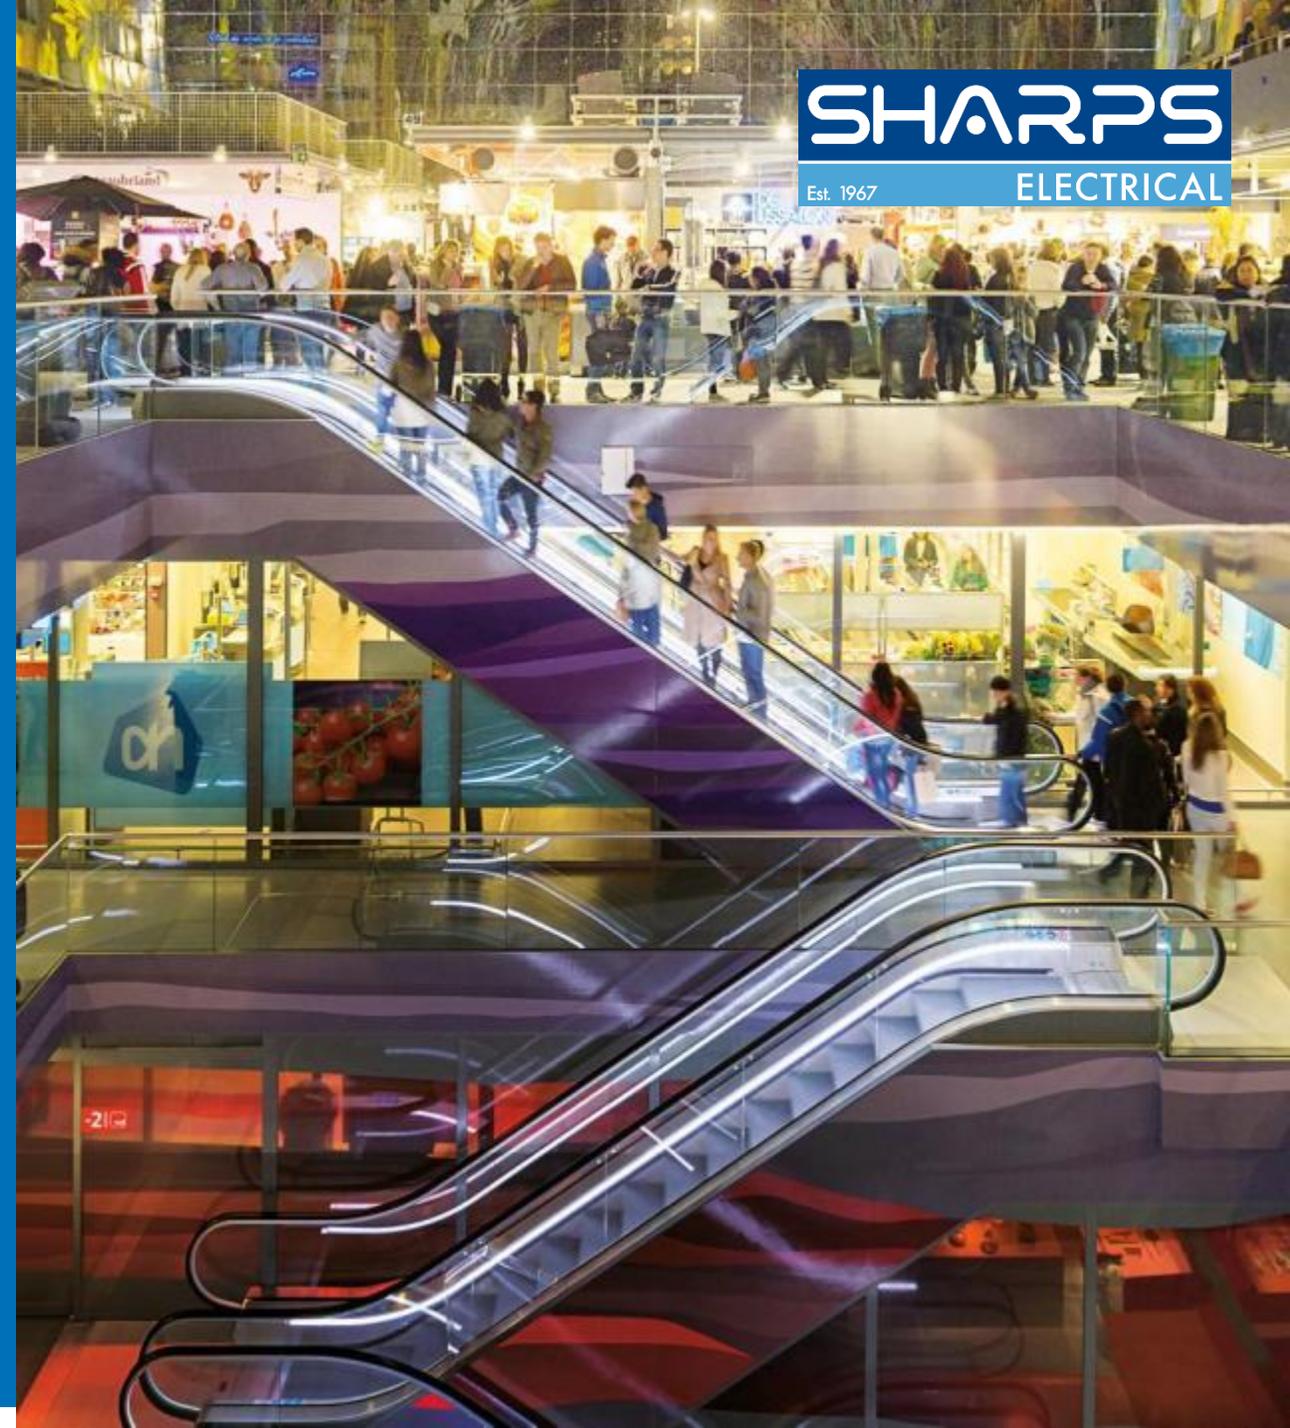

In partnership with KONE and Cibes, our mission is to improve the flow of people in the built environment.

We understand People Flow in and between buildings, making people's journeys safe, convenient and reliable.

We make homes and cities a better place to live.

OUR VISION

We provide Ease, Effectiveness and Experiences to users and customers, over the full life cycle of buildings.

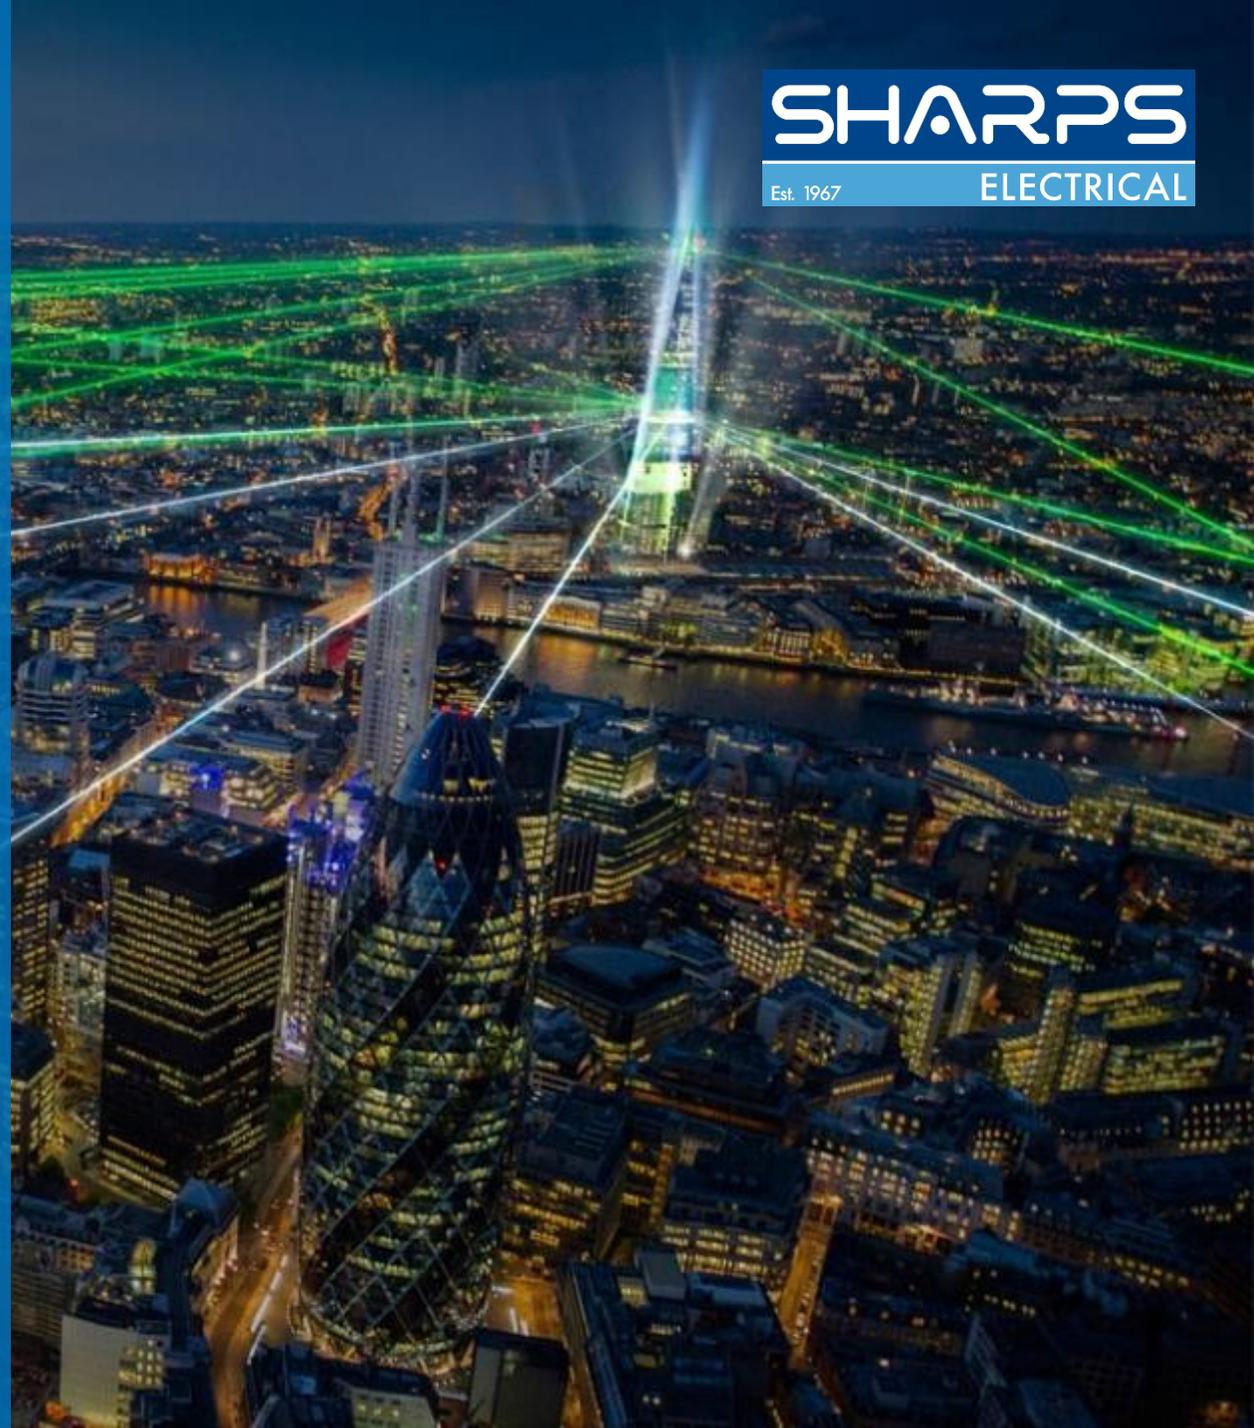

OUR BUSINESS

We provide both NEW FIT OUTS and RETROFITS into existing facilities. Our state of the art solutions are available for all buildings and homes, with a wide range of innovative elevators and escalators.

MAINTENANCE SERVICES

We lead the industry in advance maintenance services with our in-country Team, providing 24 / 7 call out service.

We service not only KONE and Cibes Lifts, but also cover Schindler and OTIS in our maintenance portfolio.

Quality

Our ambition is to deliver consistent high quality to make people's journeys safe, convenient, and reliable

To whom it may concern,

Re: SHARPS ELECTRICAL (PTY) LTD

This letter serves to confirm that Sharps Electrical (Pty) Ltd located in Gaborone, Botswana are KONE's exclusive representative in Botswana.

Sharps Electricals' field staff have been trained by KONE to perform the maintenance and fault finding on KONE equipment.

Furthermore, KONE will provide any engineering and field support for projects requiring more extensive knowledge of elevator technology and working methods relating thereto. Such technical assistance may relate to the marketing and sale of KONE products, or to the maintenance and trouble-shooting aspects. Listed below are a few contracts that have already been installed in Botswana and are currently being maintained by Sharps Electrical:

- | | |
|---|------------------|
| Galo Mall Frandstown | PWC |
| Zambezi tower | Oasis Mall |
| Barclays house | BPC Headquarters |
| Maun Airport Control Tower | BoFINet |
| SSKA Control Tower | |
| Ministry of Health (Southern Region) Lift Upgrade | |

Should you require any further information on the above or anything else, please do not hesitate to contact me.

Kind Regards,

Fariem Boorahoodien
Business Development Manager – South Africa
